Does your park, trailhead or recreation area need restroom facilities? Does the thought of seemingly never-ending construction disrupting the flow of visitors prevent you from moving forward? Carr Concrete has an affordable and well-timed solution for you.

Carr-Bilt restroom buildings provide needed restroom facilities without the extended jobsite interruptions created by normal construction methods. Carr-Bilt buildings only require minimal jobsite construction that can be completed within days of delivery of your restroom. Carr-Bilt precast restrooms provide customers with an affordable, aesthetically appealing facility that is virtually maintenance free.

Carr-Bilt buildings come in many standard styles and sizes and also offer the ability to customize the appearance and size to best meet your individual needs.

Styles

- Single restrooms
- Double restrooms
- Shower rooms
- Modular restrooms
