Does your park, trailhead or recreation area need restroom facilities? Does lack of water and sewer utilities have you wondering how you will be able to afford the expense? Carr Concrete has the affordable solution for you.

Carr-Bilt vault toilets provide restroom facilities without the typical need of water and sewer service. Carr-Bilt buildings use US Forest Service "Sweet Smelling" technology to provide customers with an affordable, aesthetically appealing facility that is virtually odor-free.

Carr-Bilt buildings come in many standard styles and sizes and also offer the ability to customize the appearance to best meet your individual needs.

Options

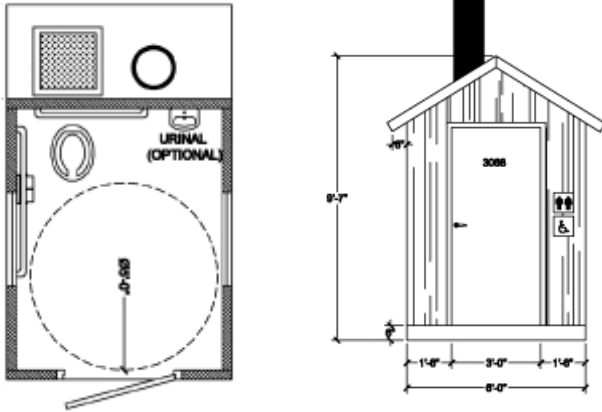

- Anti-graffiti coating
- Color schemes
- Exterior finishes
- Interior fixtures
- Roof finishes
